Anadolu Isuzu's 9,5 meter medium-coach, Visigo, has Euro 6 Cummins engine which produces 244 HP at 2100 rpm. The new Visigo provides a comfortable journey to the driver and the passengers with its stylish interior and exterior design, and comfort equipments.

With its capacity upto 39 seats, Visigo offers a high level of comfort to its crew and passengers, just like a full-size coach. The driver's comfort and the safety on board are essential for a safe and pleasant journey. That's why Visigo's driver compartment is designed in a way to assure the both. Visigo offers the maximum level of comfort for its passengers as well. The passengers of Visigo enjoy a stylish interior design. Comfortable passenger seats and high level comfort equipments turn the longer-haul rides into pleasant journeys for the passengers. Huge luggage compartment serves the passengers who are travelling with their belongings, which is essential especially in airport and intercity transportations.
